Eligibility and Receipt of Scholarship

At the time of making application, the applicant should have completed approximately one half of the program at Manhattan Area Technical College, and be in good standing at the College. The objective of this scholarship program is to award a worthy student \$600.00. The award will be paid to the student upon verification of graduation.

Process

The process for submitting an application and selection of candidates for the FABAs Scholarship will include the following:

1. **Interested Student completes and submits application form by May 1st, 2009.**
2. The FABAs Scholarship Committee reviews all applications and makes a determination if a scholarship should be awarded that particular year. If necessary, an oral interview may be requested with any or all of the applicants.
3. FABAs notifies the scholarship award winner as soon as the decision is made.
4. FABAs presents the check to the winner as soon as verification is received that the individual has graduated.
